 - a. Correction to Minutes of September 5, 2007
3. Minutes of Planning Commission Meetings of February 11, 2008 and March 10, 2008
4. APPEAL OF: Farmington Health Care Center
34225 Grand River
Farmington, MI 48335

Request for variance to Sec. 35-203(b) so that a 3,000 gallon horizontal oxygen tank inside an 8' masonry enclosure can be placed on the southeast portion of the property. While the current health care operations are a legal nonconforming use in this R1 District, granting of the variance will expand the nonconforming use of the property.
