Have you been a resident of Farmington for the past 12 months? yes

Please state your reasons for volunteering to serve our community as an appointed public representative..

I've been a resident of the Farmington Community since 1955 and have always tried to be active with children. Having once been a single parent with 5 children, I know some of the struggles & hardships families go through and would like to help others in some way. Since losing my husband to cancer recently,

EMPLOYMENT/PROFESSIONAL EXPERIENCE

Please describe your professional qualifications and/or employment experience.

I've been an RN for 28 years, specializing in mental health. I also have experience in adult rehab (physical) and work with geriatrics. I have experience as a nurse manager and as a preceptor to new nurses. Prior to finishing nursing school, I worked in Farmington High School through a federally funded Teacher Corp. project. We targeted potential drop-out population.

COMMUNITY/PUBLIC SERVICE EXPERIENCE

Please describe you previous experience with community-based organizations or other volunteer activities.

When my children were in grade school I volunteered 5 days a week in their various classrooms for 3+ years. I was a volunteer with headstart program in late 70's prior to being selected to work on the Teacher Corp program. I also was a Campfire Girl leader for 5ys + coached girls softball for 8 years. In recent years, my three daughters (who are also RN's) and I have done health education classes in various public schools.

SPECIAL SKILLS AND ABILITIES

Please describe any special skills, abilities, talents, etc., that you are willing to share.

I have pretty good communication skills, and generally feel comfortable in most settings. I have strong writing skills (not penmanship, but in content) my computer skills are adequate, not spectacular, (but I was able to find this form on-line)
