

IMPORTANT **NEWS ABOUT YOUR NEIGHBORHOOD**

City of Farmington Mayfield Street Paving Notice

Please be advised that asphalt paving is anticipated to take place Saturday, October 3, 2020. This paving operation will be for the second and final layer of asphalt thus completing the road. We kindly ask that any/all cars parked on Mayfield Street during the night are moved off of the street by 6:30 am on October 3, 2020 and that residents do not utilize the street at all while paving operations are taking place. It is anticipated that this work will be completed in one day. Residents will be allowed to again access Mayfield Street and their driveways once paving operations have been completed at the end of the day.

Please keep children and pets away from the construction operation. Construction activities, and the associated equipment that goes with it, is attractive to small children and can be dangerous. Please keep children away from the equipment, removals, mass grading, underground utility installation, **and hot asphalt.**

If you have any specific questions regarding this work, please call **Ms. Jessica Howard, Engineer for OHM, at (248) 751-3114, Mr. Austin Downie, Engineer for OHM, at (734) 466-4437, Mr. Clay Stokes, Project Engineer for OHM, at (734) 466,4443, or Mr. Joshua Leach, DPW Assistant Superintendent, at (248) 473-7250.**

This change in the schedule was due to the inclement weather received prior to October 1, 2020 causing a one day set back with the paving sub-contractor.

In the event of additional inclement weather, this schedule may need to adjust and updated information will be handed out and attached to your front door as necessary.
