SUMMARY OF NOTABLE INCIDENTS

Fraud

On 03/20/2024, at approximately 1 PM, a Farmington City resident came to this department’s front desk to make a fraud report. The city resident explained that she and her son have a joint checking account at a local bank. On 03/19/2024, the resident received an alert from her bank that an unauthorized online withdrawal was made from her bank account for \$2,240.19. The bank provided the resident with the name that was used to make the withdrawal. The resident did not recognize the name and did not authorize the withdrawal. The resident stated that a Consumers bill payment she had mailed out several months prior had been lost. She used a local post office drop box to mail the bill. She suspected that the mail had been stolen and the check she used to pay the Consumers bill had been compromised. The case was forwarded to the Postmaster General.

Customer Trouble

On 03/20/2024, a 60-year-old West Bloomfield resident came to this department’s front desk to file an assault report. The victim explained that on 03/17/2024, he was visiting a local Farmington bar on the 33000 block of Grand River for Saint Patrick’s Day. While there, he got into a verbal altercation with a server over poor service. The server put their hands on the victim’s torso. The victim was then escorted out of the bar by another bar employee. Ultimately, the victim and bar owner decided to work the issue out privately without police involvement.

Trespass Advised / Customer Trouble

On 03/18/2024, at approximately 4:30 PM, officers were dispatched to a local retail store on the 24000 block of Orchard Lake Rd for a report of a customer causing trouble in the store. Upon arrival, officers met with the manager who explained the 64-year-old female customer was making rude comments to other customers and was throwing things. The manager wanted the customer trespassed from the store. The customer was informed of the no trespass order and was asked to leave. The customer left without further incident.
